There is great power in prayer and our Prayer Team has been busy, again. They are working one two special projects.

First, they have redone our Prayer Wall just outside the sanctuary door. They have updated the wall and the prayer request cards. I encourage everyone to stop by the wall and read some the prayer requests posted there. If you posted a prayer request in the past, we encourage you to repost it.

Second, they are planning to organize some small prayer groups called Partners in Prayers. These groups will gather once a month to share prayer requests and partner in prayer for the needs of our world, our nation, our community, our church, our families and one another.

As James 5:16 says, "*The prayer of the righteous is powerful and effective!*" I encourage you to take advantage of these great opportunities to join together in prayer!

### Partners in Prayer

We are looking at new ways to continue in prayer

each day and are planning to put together small groups of 4 to 8 people called Partners in Prayer, who would meet once a month for a time of fellowship and prayer. Our prayers could be for guidance, health, love, healing and peace in our community, our country and the world.

If you would like to be included in one of these groups, or if you would be willing to be a group leader, just let us know by filling out the connect card or contacting the church office.

There is nothing more powerful than going to the Lord in prayer. We hope you will join us as we continue on our prayer journey.
