Mission trips can be life changing – for those who go to serve and for those who they serve. We are blessed to have connections to two mission teams that will be going to serve this coming week.

A group of five people from our church will be joining a group from First Baptist Church for our annual mission trip to Jamaica. The Jamaica Mission Team will be departing on Saturday, January 28. Please pray for everyone making this trip and for those they will serve in Jamaica.

Dr. Will Moore and his medical mission team from Rainbow Network will be going to Nicaragua the same week. We provided medical supplies this team with our Christmas Offering. They, also, will be departing on Saturday, January 28. Please pray them, as well, and all the patients they will treat in Nicaragua.

We have been blessed to be a blessing to others. It's exciting to see how we are helping to spread God's love and healing around the world!
