I look forward to being with you Sunday as we continue our Easter celebration with special music from the Chancel Choir, the Chancel Band, and the Handbell Choir. We are blessed to have so many gifted musicians in our church.

Their musical celebration will be a wonderful reminder that every Sunday is a little Easter. We say that because centuries ago, Christians moved their worship day from Saturday to Sunday to honor it as Jesus' resurrection day.

I pray that the resurrection power of Jesus is working in your life in special ways this holy season. I know that Raven and I and our boys have experienced the love and power of Christ through all of your cards and prayers and acts of kindness. Your love is such a blessing to us!

Praise the Lord!
