lesson from cold day

that old white dog  
lay soundlessly sleeping  
on a pile of brown leaves.  
i thought that when  
i saw him there  
that he was dead,  
a victim of the  
arctic vortex.  
i kicked the chain-link fence  
to see if he  
would respond and  
four things happened.  
i bent my toe backwards,  
the dog awoke with a sudden  
terrifying snarl-bark,  
i jumped at the sound,  
and came down on my bent toe.  
lesson learned:  
let presumed dead dogs lie.

Missoula Children's  
Theatre Fund

I want to thank those who have donated to the Missoula Children's Theatre Fund. Your response was terrific and has us set for next summer's production of "The Secret Garden." Thanks for realizing the positive impact this program has on children of our church and community and for your generosity in making this happen!

To All Our Wonderful Christmas Helpers-

What a wondrous Christmas Season! With your help we were able to insure every one of the Public Administrator's clients had a present under the tree. We had great shoppers. Every piece of clothing fit and every gift was appropriate..and appreciated! Your generosity brought joy to many.
