not the man

he is not  
the man  
he used to be.  
strong and wise  
compassionate and constant  
he was, and now  
his brain  
has been short-circuited.  
he cared for all  
who needed care,  
now he needs care.  
sad but not devastated,  
we know it is true  
that he is not  
the man  
he will become  
when no more care  
is needed.
